**KID First**  
Belief

The bonding between parents and children is lifelong. Children deserve everlasting love and care from their parents. It is deemed necessary for the parents to take up parental responsibilities and cooperate continuously for the well-being of their children even though they separate.

**Mission**

KID First aims at providing one-stop child-focused co-parenting support services for separated/ divorcing/ divorced parents and/or their children. With our diversified services, we assist our service users to recover from the emotional turmoil of divorce, to adopt new pattern of cooperation, to work out co-parenting plan and to re-establish the bonding with their children, for securing the children to enjoy the love and care from both parents continuously.
